Any breach of this condition by the contractors would render him liable for removal from the approved list of contractors of this Department.

Contractor

Executive Engineer

6. No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative

for a period of two years of his retirement from Government service without the prior permission of the Government of Tripura. The contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of Government of Tripura as aforesaid, before submission of the tender or engagement in the contractors services, as the case may be.

7. Tender forms will be sold on submission of documentary proof of tenderer's Nationality, GST/ PTCC / STCC, valid Enlistment or Labour Licence regarding engagement of workers in the contract works from labour Department, Government of Tripura. Tenders, which are not in prescribed printed form and downloaded from website or are not purchased from the Office of the Executive Engineer, RD Ambassa Division, Jawaharnagar, Dhalai shall be rejected at the opening of tenders. In case of firms and companies tendering for the work, those firms and companies shall be registered in India. The conditions regarding PTCC / STCC etc. enumerated above will equally apply in case of firms and companies.
8.
 - a) The contractor (s) shall quote the rates and amounts tendered by them both in figures as well as in words. When a contractor signs a tender in Indian language the rate and amount shall also be written in that language.
 - b) Special care shall be taken so that the rates and amounts are always written both in figures and words in such a way that interpolation is not possible. In case of figure, the words Rs. should be written before the figure and paisa at the end (viz. Rs.250.50 p). In case of rate or amount in words, the words Rupees should precede and the word only shall be written at the end (viz. Rupees two hundred fifty and fifty paisa only).
 - c) Item(s) for which no rate or price has been entered by the contractor / Agency shall not be paid for and shall be deemed covered by the other rates / prices in the contract.
 - d) When there is a difference between the rates in figures and in words, the rates, which correspond to, the amounts worked out by the contractor, shall be taken as correct.
 - e) When the amount of an item is not worked out by the contractors or it does not correspond with the rates written either in figures or in words then the rate quoted by the contractor in words shall be taken as correct.
 - f) When the rate quoted by the contractor in figures and words tallies but the amount is not worked out correctly, the rate quoted by the contractor shall be taken as correct and not the amount.
 - g) All corrections to rates and amounts in the tender shall be initialed by the contractor. Every page including the blank pages of Tender document shall be signed by the contractor.
 - h) In the case of percentage rate tender, the contractor are required to quote their rates both in amount as well as in the percentage below / above the rates entered in the Schedule. In such cases in the event of arithmetical error committed in working out the amount by the contractor, the tendered percentage and not the amount should be taken in to account.
9.
 - a) Earnest money of the estimated cost put to tender without ceiling limit shall be deposited in any Schedule Bank of India guaranteed by the Reserve Bank of India in the shape of "Deposit-at-call" or "Fixed Deposit" with validity of 6 (six) months of a scheduled bank guaranteed by the Reserve Bank of India in favour of the Executive Engineer, RD Ambassa Division, Jawaharnagar, Dhalai . Executive Engineer

CLAUSE-25

Except where otherwise provided in the contract, all questions and disputes relating to the specifications design, drawing and instructions herein before, mentioned and as to the quality of workmanship of materials used of the work or as to and other questions. Claim, right matter or thing whatsoever, in any way arising out of or relating to the contract, design, drawings specifications estimates, instructions order of these conditions or otherwise concerning the works or the execution of failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the sole arbitration of the Chief Engineer, Rural Development Department (RDD) and in case he is unable to act as arbitrator, to the sole arbitration of any person to be appointed by such Chief Engineer. It will be no objection to any such appointment that the arbitrator so appointed is a Government servant that he had to deal with the matters to which the contract relates and that in the course of his duties as Government servant he had expressed views on all or any of the matters in dispute or difference. The arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason the Chief Engineer as aforesaid as early as may be after such transfer, vacation of office of inability to act shall appoint another person to act as arbitrator in accordance with the terms of the contract such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. It is also a term of this contract that no person other than a person appointed by the Chief Engineer as aforesaid should act as arbitrator and if for any reason that is not possible the matter is not to be referred to arbitration at all. In all cases where the total amount of the claim in dispute is Rs.50,000/- (Rupees fifty thousand) or above the arbitrator shall have reasons for the award.

...It is a term of the contract that the party invoking arbitration shall specify the dispute to be referred to arbitration under these clauses together with amount or amounts claimed in respect of each such dispute.

The arbitrator (s) may from time to time with the consent of the parties, enlarge the time, for making and publishing the award.

Subjects as aforesaid the provision of the arbitration Act 1940 or any statutory modification or re-embankment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause.

It is also a term of the contract that if the contractor(s) do / does not make any demand for arbitration in respect of any claim(s) in writing with 90 (ninety) days of receiving the intimation from the Government that the bill ready for payment the claim of the contractor(s) will be deemed to have been waived absolutely and the Government shall be discharged and released of all the liabilities under the contract in respect of those claims.
