If any of the above applicable paper is not enclosed with any tender, tendering authority reserves the right to declare the incomplete tender as informal or may ask the bidder to submit wanted documents after opening of tender provided the document/s, submitted after opening of tender, must be valid up to the date of dropping of tender. In that way if the received document is not found to be valid up to the date of dropping of tender, the concerned tender/s will then be rejected. Besides this, the department reserves the right to seek any additional information/document in any stage from the bidder after opening of the tender. *Tender without earnest money and cost of tender form will be rejected on the opening table.*
- 3) **Tender form:-** As stated in 1st page of DNIT.
- 4) **Mode of tender submission:-** Tender may be dropped in the tender box, kept in the office chamber of tendering authority or sent by post (Registered with A/D). In both the case tender has to reach the tendering authority positively within the last date of dropping (as mentioned in 1st page of DNIT). Tender received by post within permitted period will be dropped in the tender box by tendering authority. Tender box will be sealed at fixed time (As per clock of tendering authority). In no way tender, after closing of tender box will be entertained. Tendering authority will not be liable for any postal delay (if sent through post).
- 5) **Tender preparation:-** Each and every page (including blank pages if any) of tender form should be signed by the bidder. All documents as mentioned under instruction to bidder will be inserted into an envelope and sealed properly. No unwanted paper should be enclosed along with tender. Sealed envelope shall invariably have following inscriptions- Name of item, DNIT number and date, name and address of the bidder. The sealed envelope must be addressed to the Executive Engineer, Office of the Superintending Engineer, R. D. 1st Circle, Pt. Nehru Complex, Gurkhabasti, Agartala. Bidder may consult with the office of the tendering authority if necessary.
- 6) **EMD and cost of tender form:** - Bidder must deposit the same as stated under instruction to bidder. No transfer of earnest money (Earnest Money or Security Deposit submitted earlier) will be allowed.
- 7) **Sample:** - As stated in 1st page of DNIT. Sample is non refundable. If any supplied item's quality differs from the approved sample then entire lot may be rejected or bidder may be asked to replace the lot or penalty may be imposed on the supplied lot at the percentage by which deviation will occur with respect to the submitted sample.

- 8) **Validity of rate:-** Rate should remain valid up to **31/08/2018** without any price variation of clause for placement of supply order.
- 9) **Price variation clause: - Price should be fixed and firm in all respect.** No price variation will be allowed in case of variation in raw materials cost, transportation cost and revision in taxes/charges. The deduction of applicable tax at source shall be at the rate as notified by the Government from time to time.
- 10) **Explanation/clarification of tender:** If any bidder requires any explanation or clarification of any term condition of the tender, it must be sought from the tendering authority before participation in the tender.
- 11) **Clarification:** After opening of the tender lowest bidder will be asked to appear before a team of officers headed by the tendering authority for clarification, justification, and analysis of the quoted rates along with all original documents as wanted in the tender and additional documents wanted subsequently if any. Bidder may be asked more than once for clarification. If they fail to attend the meeting as per programme or fail to produce any original document their bid will be rejected forfeiting entire EMD and blacklisted for two years.
- After opening of tender if the rate of any item(s) found same as quoted by two or more bidders in that case all the eligible lowest bidders will be called for clarification and in the clarification table separate sealed rate will be collected from all the 1st lowest bidders and lowest rate to be processed for finalization of rates. However the purchaser has full power to split the quantity among the initially lowest bidders if necessary subject to the condition that they agreed to supply as per the approved rate of department.
- 12) **Supply order:** - Supply order will be placed by the Executive Engineer, R D Agartala Division/concerned Block Development Officer. Supply should be materialized in consultation with the concerned purchaser. Bill in triplicate accompanied by receipted challan should be raised through the concerned implementing officer of the work only. Supply order will be placed in phase manner against requirement of specific work.
- 13) **Security money and agreement:-** After issue of supply order, the successful bidder (supplier) shall have to deposit 5% value of issued supply order subject to a maximum of INR 1.00 lakhs as security money in the shape of bank draft / fixed deposit/Dcall at any nationalized or scheduled bank within 3 days from the date of issue of the supply order and sign formal agreement with the purchaser failing which the deposited earnest money of the bidder will be forfeited to the full extent & bidder will be declared black listed for next two years. Minimum value of security money is equal to earnest money. Earnest money will automatically be converted to security money after issuance of supply order. Additional amount if any to be deposited separately. **But if supply order is issued by the Block Development Officer then separately security money to be deposited and agreement to be signed.** The security money will be released after the warranty period. In case

of any detected defect of the purchased materials not attended/replaced/repared by the supplier within seven day during validity of warranty period, will be treated as violation of agreement and security money to the full extent will be forfeited along with black listing of the firm for two years.

14) Delivery period: - Any ordered quantity should be executed positively within 10 days from the date of issuance of supply order. The supplier should have sufficiently ready stock so that materials can be supplied as and when required.

15) Penalty clause:-

Sl No	Ground	Penalty
1	Revision of any of the quoted rates/all quoted rates or withdrawal of bid after closing of tender but before the opening of tender.	25% EMD will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
2	Revision of any of the quoted rates/all quoted rates or withdrawal of bid after opening of tender.	50% EMD will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
3	Revision of any of the quoted rates/all quoted rates or withdrawal of bid after clarification / approval of rate but before issuance of supply order.	100% EMD will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
4	Fails to attend clarification / clarification meeting as per call of tendering authority/ fails to justify any of the quoted rates/all quoted rates on the basis of rate analysis.	75% EMD will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
5	Fails to deposit security money in time and sign the agreement.	100% EMD will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
6	Fails/surrender to supply after issue of supply order or after approval of rate.	100% security deposit will be forfeited and bidder will be black listed for next two years to participate in any tender of tendering authority.
7	Non maintenance of delivery schedule as per agreement or supply order or extended period allowed to supplier	Liquidated damage @ 1% per day and subject to maximum 10 days or 10% on the delayed supply will be imposed. Amount of penalty will not exceed maximum security deposit amount. If still the bidder fails to complete the full quantity, then 100% security deposit will be forfeited and bidder will be black listed for next two year to participate in any tender of tendering authority.
8	After signing of agreement or issuance of supply order, failed to supply the materials as per agreement or supply orders within stipulated delivery period including extension on valid reason.	Agreement/supply order will be rescinded and unsupplied quantities will be procured by alternative arrangement. Cost difference or security money whichever is higher will be recovered from the bidder's security money / pending bill and firm will be black listed for two years.
9	Fails to replace/repair defective materials by specific one from the date of receipt of information during the warranty period.	Security money will be forfeited to the full extent and bidder will be black listed for next two years to participate in any tender of tendering authority.

16) Warranty period: - The supply item should have a warranty period for 1 year from the date of final acceptance of store by purchaser. During the period if any manufacturing defect of supplied store is detected by the user of the store, this should be replaced/repared by the supplier at their own cost.

17) Cost of certified copy of agreement: The supplier is entitled to have a certified copy of relevant agreement at the cost of INR 1.00 per written page of agreement subject to minimum INR 500.00.

18) Quantity: - The quantity shown in the tender is most tentative and may be increased or decreased or dropped from purchase schedule at the discretion of tendering authority. Successful bidder shall have to accept any ordered quantity. Actual volume of quantity will be as per requirement of work

in one year. If 1st lowest approved bidder fails to supply materials, then tendering authority reserves the right to split the quantity to be procured among more than one bidder as per rule. Decision of tendering authority with respect to splitting will be final. If necessary, for the sake of smooth running of construction works, one 1st lowest bidder for several sub items of a tender may be asked to supply materials at the 1st lowest approved rates of other approved bidders against the same tender or at the approved rate/s of one 1st lowest bidder, other approved bidders of the same tender may be asked to supply the materials. In both the cases the bidders must agree to supply the materials at the above terms condition and also the supply orders will be placed rationally to all the approved bidders. It is not the right of bidder who has not been first lowest but discretion of the authority to take decision in this regard is final.

19) Marking of store (if applicable):- In case of ISI marked product, ISI marking should be as per norms. Brand name etc of bidder should be embossed/Painted in indelible ink.

20) Inspection: - Materials will be inspected by the departmental inspection committee / Engineer-in-charge. If required pre delivery inspection may be carried out in the go-down/ show room of the bidder. For post delivery inspection, the inspection committee / Engineer-in-charge will select sample by random method from the supplied lot. The cost involved for the test shall have to be borne by the supplier. Decision of committee or Engineer-in-charge to accept / reject the supplied stores is final.

If any unspecified material is supplied then entire lot may be rejected or supplier may be asked to replace the lot or penalty may be imposed on the supplied lot at the percentage by which deviation will occur with respect to the standard requirement. In case of replacement, this should be replaced by the supplier at his / her own risk and cost within 48 hours from rejection.

21) Time extension: - Supplier should deliver the ordered item with in stipulated delivery period. However, if supplier foresees that due to any reason beyond their control, they may not be able to maintain the delivery schedule, they should apply for time extension period (Not more than 10 days) in time of the basis of documentary evidences and valid ground. The purchaser reserves the right to consider or reject the time extension prayer of the supplier. If any time extension prayer is rejected by the tendering authority, and supplier fails to maintain the stipulated delivery schedule, penalty clause will automatically be invoked.

22) Payment: - No advance payment will be made. Payment will only be made after successful execution of supply order and supply is received on satisfying quality, standards and all terms and conditions laid down in the tender and supply order and based on availability of fund in the respective head of account. Statutory deduction of tax, from bill if any, will be deducted as applicable at source. The deduction of applicable tax at source shall be at the rate as notified by the Government from time to time.

23) Conditional discount: - Tenders with any condition including conditional discount will not be entertained and may be rejected.

- 24) **Dispute & litigation** :- In case of any dispute arising out of the contract/purchase order, the court at Agartala in Tripura will have Jurisdiction to deal with the same and decide any legal matter or dispute whatsoever arising out of the contract/purchase order or tender.
- 25) Bidders may use extra sheet to explain specification / design and enclose after signature with the tender.
- 26) Any clause not included in the DNIT but subsequently mutually accepted will be part and parcel of the terms and condition. Further any specification not in conformity of our requirement but subsequently mutually accepted may also be part and parcel of the terms and conditions.
