Road side (NH-8) Beautification and Plantation with Long tree saplings (RBPT) - A Success story in Tripura

Implementing Agency: Forest Department, Govt. of Tripura

Fund: Mahatma Gandhi NREGS

Introduction:

To beautify the National Highways with participation of the community, private sector and Government agencies the Hon'ble Chief Minister of Tripura emphasized planting of tree seedlings on both sides of the NH 8[44] from Amtali to Sabroom. Accordingly, Forest department initiated the plan for utilizing the Tall Tree Sapling[TTS] on both sides of newly widened National Highway covering 4 districts West Tripura, Sepahijala, Gomati and South Districts and successfully implemented the plantation programme within a short span of time in the year 2019.

Road side (NH-8) Beatification and Plantation with Long tree saplings (RBPT) - A Success story in Tripura

Status of National Highway Road side plantation:

District	Total stretch of NH (in km)	Plantation done during 2019-20 (in km)	Plantation done during 2018-19 (in km)	Remarks
West	6.7	6.7+9	0	
Sepahijala	22	8	6	Municipal area - 3.5 km Non plantable - 4.5 km
Gumati	27	16	0	Municipal area - 4 km Non plantable -7km
South	68	53.5	0	Municipal area - 2 km Non plantable -12.5 km
Total	123.70	84.20+9=93.2	6.0	33.50
