SALIENT POINTS OF TENDER / INSTRUCTION TO BIDDER

1) Eligibility of bidder :- Supplier/contractor having relevant valid license from appropriate authority.

2) Enclosures / complete tender :-
   (i) Tender form (without tender form duly signed by the bidder, bid will be rejected).
   (ii) Valid attested copy of Valid SSI registration certificate.
   (iii) Attested copy of Valid paper related to ‘ownership of workshop’.
   (iv) Attested copy of GST registration certificate.
   (v) Attested copy of Valid PTCC/Tax Clearance certificate.
   (vi) Attested copy of PAN card & Aadhar card.
   (vii) EMD.
   (viii) Cost of Tender form.

3) Tender form :- To download tender form from the website www.tenders.gov.in and http://rural.tripura.gov.in/ by eligible bidders. No tender form will be sold. Any subsequent corrigendum will be available in the website.

4) To go through specification, terms and conditions of DNIT.

5) To sign each and every page of tender form.

6) EMD and cost of tender form are to be deposited separately.

7) Earnest money :- To deposit EMD (Rs 50,000.00) in favour of the Executive Engineer, R. D. Teliamura Division on any nationalized/scheduled bank in the shape of fixed deposit, bank draft, D-Call along with tender. Without EMD in appropriate shape the tender will summarily be rejected.

8) Cost of tender form :- To deposit cost of tender form (Rs 500.00) in favour of the Executive Engineer, R. D. Teliamura Division on any nationalized/scheduled bank in the shape of bank draft along with tender.

9) To get ready attested copy of all required documents.

10) To fill up each and every point of bidder’s sheet.

11) To fill the rate quoting sheet.
12) To write DNIT number and date, name of item, bidder’s name and address in the envelope containing complete tender and to seal the envelope by wax or self adhesive tape (cello tape). The sealed envelope must be addressed to the Executive Engineer, R. D. Teliamura Division, Teliamura, Khowai District, PIN-799205.

13) The full fledged and sealed tender may be dropped in the tender box kept in the office of the Executive Engineer, R. D. Teliamura Division, Teliamura/District Magistrate & Collector’s Office, Khowai District within 3.00 PM on 28-06-2019 or may be sent to the tendering authority by post (registered with A/D only) to reach within 3.00 PM on 28-06-2019.

14) The copy of the DNIT may be inspected from the office of undersigned up to 27-06-2019 (office date and hour only) by interested bidders.
DECLARATION

I do hereby declare that I have personally gone through the relevant Draft Notice Inviting Tender and understood all the clauses, specifications of tendered items, instruction of the DNIT and having been fully satisfied, I have quoted the rate of item. This is further to certify that I have suppressed no facts in the tender which could debar me to participate into the tender. If it is revealed after opening of the tender that any fact is suppressed by me, tendering authority shall have the right to reject my tender along with other stern action against me as per term condition of the tender. I do affirm that all the term conditions of DNIT are unconditionally accepted by me. I have no objection if any extra term condition, mutually accepted by me and purchaser is incorporated into the agreement.

AND

I do hereby also declare that I am not blacklisted by any department / agency of central or state regarding quality compromise or any other reason in connection with similar work and there is no ongoing litigation with any department/agency of central/state Government as on closing date of tender. If subsequently it is revealed after opening of the tender that my declaration is false, my tender /concerned agreement will be cancelled, deposited earnest / security money will be forfeited and other penalty to be decided by the tendering authority will be imposed.

BIDDER’S SHEET
( TO BE FILLED BY BIDDER)

Bidders are requested to provide wanted information in this sheet. All the points are not required for all bidders. They should select their relevant points and fill up accordingly. Other points, not related may please be marked as Not Applicable.

1) Name of Bidder/ firm (along with Ph No / M) participating the tender:

2) Name of the person (along with Ph No / M) to be contacted :

3) Address of manufacturing unit / bidder :

4) Detail mailing / postal address incl. Ph No of bidder for correspondence:

5) Details of Earnest money deposit:

6) List of enclosures:

7) Past experience (if any):
TENDER FORM FOR FEBRICATION ITEM (STEEL)
DT-03/STEEL/EE/RD/TLM-DIV/2019-20 dt- 14.06.2019

GENERAL TERMS AND CONDITIONS

1. Eligible and interested bidders should drop complete and sealed tender in the tender box as stated in the 1st page of DNIT. Each and every page (including blank pages) of tender format should be signed by the bidder which will be part and parcel of the tender. Attested photocopies of valid documents as per direction of tender should invariably be enclosed with the tender and otherwise the tender will be rejected. **However after opening of tender, tendering authority reserves the right to ask 1st lowest bidder to submit required paper if not enclosed / asked along with tender.** No unwanted paper should be enclosed with tender. Bidder must write the concerned DNIT number, bidder’s own name and address very clearly in the cover of the sealed envelope. If any bidder do not write the concerned DNIT number, his/ her tender will not be accepted and opened. Further if any bidder quote different DNIT Number, his / her tender will be opened along with quoted tender and naturally that tender will also be rejected.

Tender complete and sealed may be sent to the tendering authority by post (registered with A/D) which should invariably be reached to the tendering authority within specified period as stated in the 1st page of tender form, for postal delayed, the tender will be not be accepted and the tendering authority will not be liable.

2. Bidder must deposit required Earnest Money as stated in the 1st page of DNIT in the shape of Deposit at call / bank draft / fixed deposit in favour of the Executive Engineer, R.D Teliamura Division, from any nationalized Bank of India. Without EMD in appropriate shape the tender will summarily be rejected.

3. The successful bidder (to be told supplier or contractor while supply order/ work order will be issued) shall have to deposit 5% of value of supply order/ work order or Rs.1.0 lac whichever is lesser in favour of the undersigned in appropriate shape as desired by the authority within 3 (three) days from the date of receipt of supply/ work order and sign a formal agreement with the authority within allowed period as per supply/ work order. But in no case security money deposit should not be less than the deposited earnest money. In that case deposited earnest money will automatically be converted into security money.

4. Bidder may be asked once or more by the undersigned for negotiation/ justification/ analysis of quoted rates after opening of the tender.

5. Bidders may use extra sheet to explain specification/ design and enclose after signature with the tender.

6. Quantity as mentioned in the DNIT is most tentative which may be nil/ decrease/ increase. Bidder shall have to execute any ordered quantity.
7. Penalty clause :-

<td>Fails to replace / repair defective materials by specific one from the date of receipt of information during the warranty period.</td>
<td>Security money will be forfeited to the full extent and bidder will be black listed for next two year to participate in any tender of tendering authority.</td>
</tr>
</tbody>
</table>
8. Approved rates will remain valid for 1(one) year from the date of opening of tender without any price variation clause. No advance payment will be made and the payment will only be made if supplier/ contractor raise bill to the paying authority in appropriate fashion and if fund in the specific head of account is available with the paying authority only. Necessary statutory deduction (income tax, sale tax, GST) will be deducted from the bill at source and necessary TDS will be provided by the undersigned.

9. Rate must include all taxes and charges and to be quoted in the specified annexure of the tender form. Any overwriting / correction etc should duly be initialed by the bidder. Any clarification/explanation if any regarding the tender should be sought from the undersigned before dropping of tender.

10. If last date of tender dropping become suddenly holiday or normal activities of office works get disrupted due to any strike/ natural calamity the last date of dropping may be deferred to next working date as per decision of the authority. In this regard decision of the tendering authority to defer or not to defer is final.

11. Interested bidders may inspect the DNIT in the office of the tendering authority up-to the specified period as mentioned in the first page of the tender form.

12. Any clause not included in the DNIT but subsequently mutually accepted will be a part & parcel of the agreement. Further any specification not in conformity of our requirement but subsequently mutually accepted may also be a part & parcel of the agreement.

13. If necessary, total order may be divided amongst more than one bidder at the approved rates. It is not the right of bidder who has not been first lowest but discretion of the authority to take decision in this regard is final.

14. Any conditional discount or other extraneous terms & conditions from bidder’s end will not be entertained and tender will be declared as informal.

15. Materials should be inspected by the departmental inspection committee / Engineer-in-charge. Decision of committee or Engineer-in-charge to accept / reject the supplied stores is final.

16. Any ordered quantity should be executed positively within 15 days from the date of issuance of supply order. The supplier should have sufficiently ready stock so that materials can be supplied as and when required.

17. Any tender not complying with the requirement / fulfill the terms and conditions of the tender will be declared as informal.

18. Tendering authority reserves the right to accept or reject any tender including first lowest bidder without assigning any reason.

19. The earnest money of unsuccessful bidders will be refunded immediately after final acceptance of tender.

20. Any incomplete bid should be summarily be rejected.
SPECIAL TERMS AND CONDITIONS OF MANUFACTURING &
SUPPLYING OF DIFFERENT CATEGORIES STEEL ITEMS

1. Supplier should arrange supply in the District go down / any worksite within the jurisdiction of R. D. Teliamura Division as per instruction in the supply order issuing authority and necessary transportation, loading, unloading, weighing, counting, stacking along with other taxes should be included in the rate.

2. Inspection: Materials will be inspected by the departmental inspection committee. If any lot is rejected by the Engineer-in-Charge the lot should be replaced by the supplier at his / her own cost & risk within 48 hours from rejection.

3. Work may be splitted amongst more than one bidder at the approved rate if concerned authority desires. But it should not be treated as the right of bidder.

4. Finished product shall have to be painted with 2 (two) primer coat of ready mixed red oxide as per relevant IS specification. For this work no separate payment will be made.

5. Before dropping of tender, bidder may consult with any Engineering Officer of this establishment for clarification/ explanation / interpretation of any specification/ claim/ drawing.

6. Before dropping of tender, bidders may have a clear picture of entire area under jurisdiction of RD Teliamura Division, their road connectivity, condition of road, availability of labours for unloading etc. in details so that they can quote rates considering all above facts.

7. If any bidder suppress any fact in the tender and subsequently it is unearthed, their tender will be rejected and necessary punitive action including total forfeiture of EMD/ Security money/ Rescind of agreement/ Cancellation of supply order/ Barring from participation of future tender will be taken against them.

8. Bidder should prepare a sample as & when asked by the authority for which no payment will be made.

9. Supply order will be issued by the tendering authority / Block Development Officer under Khowai District, but the supply should be materialized in consultation with the concerned implementing officer of the work & the bill should be raised through I.O. only.

10. Fabrication of tubular truss:-
   i) Only black pipe will be supplied from the department. In case of rejection done by the Department of any fabricated work done by fabricator, the cost of departmental materials so involved should be recovered at double of issue rate from the fabricator along with other
punitive action. Balance store materials if any lying with fabricator after completion of the work or in case of failure (and if it is supplied from the District store), must be returned by the fabricators to the store at his own cost positively. If they fail to return the excess materials cost of materials at the double issue rate will be recovered with punitive action as per rule.

ii) Cost of carrying, loading, unloading of raw materials from District store, the loading, carrying of the finished products and fitting fixing of the same in the worksite should be included in the rate. Departmental supply of related raw materials (Black pipe) will be made as per actual verified quantities. Necessary other materials including welding sticks, tools and plants etc required for fabrication shall be arranged by the fabricator at his own cost.

iii) For any shortage/ theft/ damage of stores issued to the fabricator, recovery at double rate will be made.

iv) No wastage of materials will be allowed. Materials will be issued based on actual consumption of store materials, which will be certified by the supervising Officer.

v) Finished product should not be left open without instruction of authority; it must be kept at the custody of fabricator.

vi) Fabrication must be in conformity with enclosed design & drawing (For both fabrication & manufacturing).

vii) All the members of the structure shall have to be painted with 2 (two) primer coat of ready mixed red oxide as per relevant IS specification & base plate will be painted with coal tar. For this work no separate payment will be made (For both fabrication & manufacturing).

viii) All sides of joint sections of the whole structure should be welded with 6 mm continuous fillet welding and no portion of the joint section should be left un welded (For both fabrication & manufacturing).

11. Specification of steel window (OBB pattern):
   a. Main frame will be made of angle section (40 x 40 x5mm)
   b. Shutter frame will made of 20x20x3mm Z bar,
   c. For horizontal batten, MS flat 20x5 mm size is to be used,
   d. 1mm thick plate is to be used for shutter,
   e. Size of tower bolt (2 nos) will be 150x10mm,
   f. Size of hold fast (4 nos) will be 180x25x5mm,
   g. Size of butt hinges (4 nos) will be 75x47x1.7mm,
h. For grills MS flat of size 18mmx5mm is to be used,
i. Total weight of window with all accessories = 45 kg + 5%,
j. Window should be of side hung with double shutter,
k. Locking arrangement should be provided in the middle of window.
l. Handle of standard quality should be provided.

12. Specification of steel door (OBB pattern):
   a. Main frame will be made of angle section (40 x 40 x 5mm)
   b. Shutter frame will be made of 20x20x3mm Z bar
   c. For horizontal batten, MS flat 40x6 mm size is to be used
   d. 2 mm thick plate is to be used for shutter
   e. Size of tower bolt (2 nos) will be 420x12mm,
   f. Size of hold fast (6 nos) will be 200x35x5mm,
   g. Size of butt hinges (6 nos) will be 80x75x1.7mm,
   h. Total weight of door with all accessories = 75 kg + 5%,
   i. Window should be of side hung with double shutter,
   j. Locking arrangement should be provided in the middle of window.
   k. One no sliding door bolt is to be provided.

13. Specification of steel window with Z bar:
   i. Main frame & shutter frame will be made of 20x20x3mm Z bar,
   ii. Weight will be @ 30 kg/sqm,
   iii. Locking arrangement is to be provided.

14. For rolling shutter & Collapsible gate payment will be made based on the exact area of opening.

15. Specification of steel door (Jail specification):
   a. Main frame will be made of angle section (75 x 75 x 6mm).
   b. Shutter frame will be made of angle section (65x650x6 mm).
   c. For horizontal bracing (two nos), MS flat 50x6 mm size is to be used.
   d. 25 mm dia MS plain rod @ 75mm c/c vertically is to be provided.
   e. Size of diagonal bracing (two nos) should be MS flat 50 x 6mm.
   f. Tower bolt, hold fast, hinges, sliding door bolt etc of standard jail specification & of approved quality should be used.
16. STEEL WINDOW (Jail specification):

a. Main frame will be made of angle section (75 x 75 x 6mm).
b. Shutter frame will be made of angle section (50x50x6 mm).
c. For horizontal batten (two nos) MS flat 50x6mm size is to be used.
d. 2 mm thick MS sheet is to be used for shutter.
e. 25 mm dia MS plain rod @ 75mm c/c vertically is to be provided.
f. Size of diagonal bracing (two nos) should be MS flat 50 x 6mm.
g. Tower bolt, hold fast, hinges, sliding door bolt of jail standard specification & of approved quality should be used.
h. Locking arrangement (locking area covered by 2mm thick sheet) should be provided in the window.
i. Window should be of side hung with double shutter.

17) For all types of window- handle of standard quality and window stopper should be provided.

18) Any incomplete bid should be summarily be rejected.
