Success Story of Indira Awaas Yojana 2007-08
Under Jirania R D Block

For the greater interest of the poor living below poverty line, Jirania R D Block is implementing various developmental works from the very beginning of its inception. In this respect, greater changes have occurred in the socio-economic condition of the villagers. All of the developmental works are implemented by Jirania RD Block in consultation with the PRI bodies funded by R.D Department and other funding agencies. In this respect, dwelling houses are constructed for the rural poor villagers under Indira Awaas Yojana. Smti Mairam Bibi W/O Farid at Joynagar Gram Panchayat is one of them under Jirania R D Block is one of them. A dwelling house was constructed for her in 2007-08. Estimated cost of the house was Rs.33,900/- (Rupees Thirty Three thousand Nine hundred) only. That house was constructed by the supplied materials through R D Department and local labour’s. Today all beneficiaries are very much pleased. She resides in that house along with his family members without any tense. Like her thousands of people are befitting through various developmental works implemented by Jirania R D Block
Mungiaakami R. D. Block established in the year of 2002. It is the youngest Block in Tripura. Most of the area fallen under the Atharamura range. The Block Headquarter is situated at Mungiaakami in Atharamura range. Earlier there were 2/3 ordinary shops beside the 44 No. National Highway. Now, it has been ungraded as Mini Town. All kind of infrastructure like CIC, Vision Centre, Bank, Post Office, PHC, Growth Centre, Motor stand & Rail Station etc. have been created. The Market is flourishing day by day. It has been crying need to develop surrounding of Market area as thousand of people assemble in market day. Now, it has been terminated as business growth centre in Atharamura range. 5 (five) Nos. ADC Village people & Numbers of SHG are getting benefits by selling their products.

The Development of area really brought a new era for the adjacent area people well as for businessmen who are coming from outside.

This vast work was only possible because of National Employment Guarantee Scheme (NREGS) and best endeavour of local people.
